

# CAMP SHETEK

## *Directions from the Twin Cities*

- \* Take Highway 169 South through Mankato (169 will turn into Hwy 60)
- \* Keep traveling south through Lake Crystal toward Madelia.
- \* Just before Madelia, you will exit right to New Ulm, Hwy 15. You only go about a mile and a half on 15 and then you will turn left on Hwy 3 toward LaSalle.
- \* You will drive west on 3 about 6 or 7 miles and the road will curve south. After the curve you take the next right. There is a blue and white sign at this corner that says “Shetek Baptist Camp 58 Miles”.
- \* You will now drive straight west for about 55 miles. Hwy 3 will soon turn into Hwy 30 in just a few miles.
- \* After you pass through the town of Currie you will take a right (north) on the first gravel road. You will see another one of the blue and white Shetek signs at this corner to help you identify where to turn. (If you miss the turn at this corner, you will run into a stop sign at Hwy 59 in 1 mile so just turn around and come back.)
- \* When you turn north on the gravel you are about a mile and a half from the Camp. You will need to turn at each intersection that you come too. The blue and white signs will point the way at each corner.
- \* Welcome To Camp Shetek
